Presented by Truline Industries

The Ronald McDonald House Pro-Am Tournament is the longest-running and most successful fundraising event in the history of the Ronald McDonald House of Cleveland, now Ronald McDonald House Charities of Northeast Ohio. This event helps RMHC NEO enhance the healthcare experience for thousands of families and children each year through comfort, care and supportive services. **Our sincere thanks to our generous sponsors.**

UNDERWRITING SPONSORS

Dear Friends,

As most of you know, today is more than a great day of golf with some of our favorite Pros & CEOs. Your participation today serves kids at our great local hospitals and their families during the most challenging of times.

With all that's going on in our fast-paced world today, how much of it would matter if your child was suddenly in the hospital with a life-threatening condition? And what if you were already struggling to make ends meet? When someone you love has a life-threatening medical condition, all your priorities immediately change. When it's your child, your life changes forever.

Fortunately, most of us haven't had to deal with those situations and we've just led "normal" lives. Hopefully by now, we know that our business and personal success alone won't buy fulfillment. We need to be part of something that's larger than ourselves and focused on helping others.

We should all know that our local hospitals do transformative work for children from NE Ohio and around the world. Our support today of RMHC NEO helps make difficult situations easier by helping these children and their families in so many ways. Thanks for being a part of something special like this that benefits others more than it benefits you.

Our committee of passionate folks has had you in mind for many months, preparing this to be your best day of golf all season. We've got a great group of Local and PGA Tour Pros excited to play with us as we support the House. Please show up early and plan to disconnect for the whole day. I'm sure you'll have a great time golfing and getting to know your playing partners, especially our Pros.

Thanks for being a part of this event. Your participation today matters immensely to the families served by Ronald McDonald House Charities of Northeast Ohio. It will be a great day of golf, but long after the last putt is made, the work of the House will continue. We appreciate your support.

FEATURED FAMILY

JASON KOKRAK

Everything that I have known has been Northeast Ohio and I am so grateful to call it home once again. My wife and I grew up in Warren, OH and wanted to raise our two boys, Declan, five, and Landon, three, back in the same area. After spending ten years in Charlotte, NC, we relocated to Hudson, OH to continue our path in golf, but more importantly as a family here in Ohio.

The game of golf has given me more than I could have ever imagined. After turning pro in 2008, the road to the PGA tour was not an easy one. I spent time as a journeyman pro on the mini tours, Egolf, Hooters, Carolinas pro tour, and the never-ending Monday qualifiers. The game has tried me not only physically, but mentally--I almost gave up the game a few times. But golf has also given me some of my best qualities in becoming the person I am today.

Alongside my many supporters of immediate family, friends and coaches, my wife has been by my side the entirety of my career. She has seen me at the very bottom, to winning at the highest level, including laughing at/questioning my career choice when I told her many moons ago I was going to be on the PGA Tour (and that we would be married).

We have never felt so grateful to be surrounded by the love of friends and family. The benefits have been more than imaginable as we realized the importance and the value of our time together. I am proud to support Ronald McDonald House Charities of Northeast Ohio, and this Pro-Am, because we fight to keep what is important together, Family.

Thank you to the staff and volunteers of RMHC Northeast Ohio, who serve under the most pressing circumstances with grace and humility.

Thank you for your support today and continued support for years to come.

Jason, Stephanie, Declan and Landon (Licorice and Bunker)

Mike and Sue Clegg with children Chris, Scotty and Tracy

MISSION MOMENT

In honor of Mike Clegg (December 4, 1938 – April 6, 2021)

When Mike Clegg's 4-year-old son, Scotty, was diagnosed with acute leukemia, Mike and his wife Sue found themselves faced with the challenges of caring for Scotty while trying to keep a sense of normalcy for their other children. Hear the Clegg family's moving story, and how their experience, the Ronald McDonald House, and this Pro-Am golf tournament are inextricably linked.
