Michael Clegg Memorial Pro-Am Golf Tournament

The Michael Clegg Memorial Pro-Am Golf Tournament is the longest-running and most successful fundraising event in the history of Ronald McDonald House Charities of Northeast Ohio. This event helps RMHC NEO enhance the healthcare experience for thousands of families and children each year through comfort, care and supportive services. **Our sincere thanks to our generous sponsors.**

Dear Pro-Am Participants,

How best can we honor the life and work of Michael Clegg as one of the co-founders of both the Ronald McDonald House of Cleveland and the Pro-Am that's become our favorite day of golf each summer? Not an easy question, but it starts with revealing the new logo on the cover of this program, as it bears his name. With that in mind, welcome to the Michael Clegg Memorial Pro-Am benefiting Ronald McDonald House Charities of Northeast Ohio! Mike was the heart and soul of this event until his passing in 2021, and we look to carry his legacy of caring and generosity forward for many years to come.

Our event today will be the 44th Anniversary edition and we're excited to bring such a tremendous group of golfers together, both amateurs and professionals, to support RMHC Northeast Ohio. Our participation today provides wide-ranging services to families with children undergoing medical care at one of the many tremendous hospitals in our region. From Family Rooms inside the hospitals, to the Akron and Cleveland Houses, Ronald McDonald House Charities of Northeast Ohio creates home-like settings for families, supporting them through some of their most difficult times.

Today, we hope that you'll have an awesome experience, and our committee has been working very hard to ensure that you're set up for a great day. You can help by doing three important things:

1. Disconnect – Leave your phone in your golf bag (or better yet, your car!) so you can experience an unforgettable day with us.
2. Engage – Make sure you get to know your playing partners (especially your pros!) They are generous and kind, just like you.
3. Have Fun! – Today's event was designed for your enjoyment, from the breakfast interviews through the cocktail reception, so make it a great day on the golf course!

Thanks for joining us. We hope you'll have a memorable experience, just as Mike Clegg would have wanted for each of us. Additionally, your participation today is incredibly important for so many families as they receive support from Ronald McDonald House Charities of Northeast Ohio. We're honored to continue the Pro-Am in Mike's name and we appreciate your support.

MARK EVANS

My wife, Jenny and I, along with our kids, Chase (13) and Joel (9), currently live in Stow, Ohio. Jenny works for the City of Cuyahoga Falls Fire Department as the Office Manager. Joel and Chase attend Immaculate Heart of Mary School in Cuyahoga Falls, and they are very active with their school and the sports of golf, baseball, and basketball.

I was born, raised, and have lived in Northeast Ohio most of my life. After finishing college at the University of Akron, I pursued a career as a golf professional. I have worked all over the country at many top facilities, and I have been very fortunate to have met many great people. As my career progressed, I had the great opportunity to come back to Northeast Ohio to Mayfield Country Club where I was introduced to Ronald McDonald House Charities. I have been at Mayfield for the past ten years and have been involved with the Pro-Am since I arrived.

The Michael Clegg Memorial Pro-Am Tournament and Mayfield Country Club are closely tied, and it has become part of our club's giving culture. This will be the 44th year for the tournament. It started at Mayfield, and we have held the event for 43 of those years. We could not be prouder of our involvement with the House, as we have had several members start the Pro-Am, participate, contribute, and serve as committee members throughout the years.

The most important thing in my life is my family. It has been an honor to be part of the Michael Clegg Memorial Pro-Am and help contribute to Ronald McDonald House and the families that it provides for in their times of need.

Thank you for your support today and for the years to come

Mark, Jenny, Chase, and Joel Evans

MISSION MOMENT

As nurses, Lisa and Billy Vagi were familiar with the Ronald McDonald House and Family Room, but never imagined needing our support. That all changed when their six-month-old baby, Finn, received a life-threatening diagnosis.

We're honored to welcome the Vagi family to the Pro-Am, and hear their story of hope and how our House and Family Room helped Lisa, Billy, daughter Isla, and Finn through one of the most difficult times of their life.

"The biggest blessing of the House was that we were able to bring Isla with us. It relieved so much stress to have her there. To this day, she thought she was on vacation because the House was so special."
