A HISTORIC EVENT

When Michael and Sue Clegg's four-year-old son Scotty was diagnosed with acute leukemia, they faced the challenges of caring for Scotty while trying to be present for their other children. This led them to help found the Cleveland Ronald McDonald House, opened in 1979.

Mike used his business sense, connections and passion for golf to create the Pro-Am to support the new House. Since that first outing—won by one of Arnold Palmer's groups—the Pro-Am has raised millions of dollars to support families of ill and injured children.

Mike remained integrally involved with the event and the organization until his passing in 2021.
