House Charities®**  
Northeast Ohio

Keeping families close®

## About Us

*Ronald McDonald House Charities® of Northeast Ohio, Inc. provides essential services that remove barriers, strengthen families, and promote healing when children need healthcare.*

Each year, thousands of families whose children are receiving medical care throughout Northeast Ohio and beyond are served through our programs:

### AT THE HOUSE

**Ronald McDonald House®** programs in Cleveland and Akron give families a welcoming place to stay so they can focus on caring for their children. Comfortable rooms, meals, inviting common areas and landscaped grounds are a safe and welcome retreat from the hospital setting. Families also benefit from the comradery and community they find at the House.

### AT THE HOSPITAL

**Ronald McDonald Family Room®** programs in four Cleveland-area hospitals offer a space for families to rest and recharge just steps from their child's treatment room. Happy Wheels mobile hospitality carts bring comfort to the bedside for those who cannot step away.

### IN THE COMMUNITY

**Ronald McDonald Care Mobile®** in partnership with Akron Children's Hospital Boardman, is a fully equipped medical clinic on wheels, delivering convenient, in-person care for children ages birth-21 years across the region. All services are provided face-to-face by skilled healthcare professionals. Serving Mahoning, Trumbull, and Columbiana counties.

### AT OUTPATIENT CENTERS

**Ronald McDonald STAR (Support, Teaching, Awareness, Resources)** programs offer a fun and welcoming learning environment for children while their siblings receive outpatient or emergency care. This allows caregivers to turn their full attention to the child receiving treatment.

### ONLINE

The **Ronald McDonald House Resource Link**, provides pathways to support for families and children with challenges, disabilities and health care needs.
