About Us

Ronald McDonald House Charities® of Northeast Ohio provides vital comfort, care, and support to families with children receiving essential medical treatment. Through our programs, we help thousands of families each year remain close to their children's care while reducing financial and emotional burdens.

Our programs serve families at leading children's hospitals in Cleveland, Akron, Canton, and the Mahoning Valley, ensuring access to both world-class medical care and a network of support. Our work is made possible through the generosity of individuals, foundations, and corporate partners who believe in strengthening families. By investing in RMHC NEO, you join a community committed to improving health outcomes, reducing barriers, and making a difference in the lives of children and families.

Easy Ways to Support

Ronald L. Kahn Pull Tab Program

We accept tabs from soda pop, soup, pet food, and other canned goods, and then work with a local recycler to turn those tabs into money. The amount we receive is based on the price of the aluminum. It takes around 1,000 pull tabs to equal 1 lb. of aluminum!

The money from the recycled pull tabs goes into our Family Fund, which gives families staying at the Ronald McDonald House special moments of normalcy and joy – like birthday gifts, trips to the hair salon, and anniversary dinners.

Third Party Fundraisers

Groups and organizations can host events to raise funds for RMHC Northeast Ohio programs!

Fundraisers include: Lemonade stands, 5Ks, golf outings, school fundraisers, % of sales, and more!

Did you know you can turn your used car, truck, RV or boat into support for Ronald McDonald House Charities of Northeast Ohio? Our vehicle donation program makes donating your vehicle easy by providing free pick-up and takes great care in finding the right buyer to get the most out of your generous gift. We even handle all the paperwork too, including providing you with a donation receipt.

Planned Giving

You can support RMHC NEO by including us as a beneficiary in your will, making a gift through an IRA distribution or retirement account, donating stock, or through other gift planning vehicles. These gifts can provide long-term support to both your loved ones and to the causes that matter to you.
